Below the screen is a 3x3 grid of nine square buttons, each with a white number (1-9). The lock is mounted on a light-colored wall.A close-up photograph of a black electronic device, likely a security system component. It features a small, rectangular green LCD screen at the top, which displays the word 'bereit.....' in a simple, pixelated font. Below the screen is a numeric keypad with nine buttons arranged in a 3x3 grid. Each button is square with a light-colored face and a dark border, showing numbers 1 through 9. The device has a matte black finish.
